Delivering elections success in the General Election 2017

Idox Elections: Delivering modern democracy

Idox provided end-to-end support and expertise to local authorities across the UK, ensuring a smooth, efficient voting and counting process for the 8 June 2017 General Election. Take a look at the highlights...

Our work in elections has spanned over 25 years and has served a voting population of more than 20 million across the UK and overseas

1 Providing first-class support

2 Helping local authorities deliver voting to millions

35

the number of local authorities benefitting from Idox's managed print services

19

the number of local authorities investing in Idox's Postal Vote Managed Services

over 100

the number of Idox managers and temp staff on hand to open envelopes

68.7%

the percentage of voter turnaround across the UK*

* Taken from: <http://www.ukpolitical.info>

over 550,000

the number of postal packs scanned, accounting for 72% of all packs issued

767,000

the number of postal packs printed and dispatched

2.6 million

the number of poll cards printed and dispatched

290,000

the approx. meters of paper used to print the ballot books. That's 180 miles - the same distance from Leeds to Falkirk

3.6 million

the number of ballot papers printed and dispatched

650

the number of parliamentary constituencies
